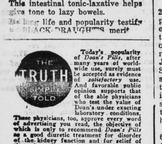
Breath Bad, Logy? You May Need This

Just as the lighthouse flashes a friendly warning to sailors, so Nature sends out headaches, bad breath, biliousness, which often warn of constipation.

Too many misunderstand or neglect those symptoms and thereby may invite a host of constipation's other discomforts: sour stomach, belching, loss of appetite or energy.

Be wise. Take spicy, all vegetable BLACK-DRAUGHT tonight by simple directions and clear your bowels gently, promptly, thoroughly. This intestinal tonic-laxative helps give tone to lazy bowels.

Its long life and popularity testify BLACK-DRAUGHT'S merit.



"Today's popularity of Doan's Pills, after many years of world-wide use, is convincing proof of satisfactory use. And favorable public opinion supports that of the millions of users who test the value of Doan's under exacting laboratory conditions.

These physicians, too, approve every word we say about Doan's Pills. Many use and advise it only to recommend Doan's Pills as a good diuretic treatment for disorder of the kidney function and for relief of the pain and worry it causes.

Don't you see the importance of how the kidneys must constantly remove waste that cannot stay in the blood without injury to health, then would be better understanding of why the whole body suffers when poisons are retained and elimination would be more often enjoined.

Burning, scanty or too frequent urination sometimes warn of disturbed kidney function. You may suffer nagging backache, dizziness, headaches, rheumatic pains, getting up nights, swelling, puffiness under the eyes—feel weak nervous, all tired out.

Then use Doan's. There is no better to rely on for a medicine that has won countless users the country over. Ask your neighbor! Ask your neighbor!

DOAN'S PILLS

Embarrassing

When *Acid Indigestion, Gas on Stomach or Heartburn* make you feel uncomfortable or embarrass you, try Alka-Seltzer, which contains alkalizing buffers and so helps counteract the associated Excess Stomach Acidity.

But the relief of these minor stomach upsets is only a small part of what you can expect Alka-Seltzer to do for you. You will find it effective for Pain Relief in *Headache, Neuralgia, Colds and Muscular Aches and Pains.* It contains an analgesic, (sodium acetyl salicylate), made more prompt and effective in its pain-relieving action by alkaline buffer salts.

When hard work or strenuous exercise make you feel tired and dragged out, enjoy the refreshing effect of a glass of sparkling, fizzy Alka-Seltzer.

THE TEMPTATION OF JESUS

LESSON TEXT—Matthew 4:1-11.

GOLDEN TEXT—For we have not an high priest which cannot be touched with the feeling of our infirmities; but was in all points tempted like as we are, yet without sin.—Hebrews 4:15.

Temptation is the common lot of all mankind (I Cor. 10:13). The strongest and most noble of men are subject to it; angels were tempted, and our scripture reveals that even Jesus was tempted. We recognize that Jesus was tempted as the Messiah (vv. 3, 6) and as one without sin (Heb. 4:15), but it is also true that He was tempted in all points as we are, apart from sin, and that we may learn from His temptation how we may meet and be the victors over temptation.

I. What Is Temptation?

"Temptation is seduction to evil, solicitation to wrong. It stands distinguished from the trial thus: trial tests, seeks to discover the man's moral qualities or character; but temptation persuades to evil, deludes, that it may ruin. God tries; Satan tempts" (A. M. Fairbairn).

Temptation is not sin, but yielding to temptation is sin. Luther said, "We cannot keep the birds from flying over our heads, but we can keep them from building nests in our hair." Temptation comes from within, that is, from our own lusts (James 1:13, 14). Satan also tempts us (Eph. 6:11). God may permit temptation as a means of proving our faith (James 1:2, 3).

II. How Temptation Works.

It is significant that the temptations of Jesus were along the threefold line of the temptations of Adam and Eve (Gen. 3:6) and the general threefold temptation of all men, namely, the lust of the flesh, the pride of life, and the lust of the eyes (I John 2:16). These three temptations really exhaust Satan's bag of tricks, but he can dress up these three fundamental temptations with almost endless variety. He works

1. By appealing to the flesh (vv. 2, 3). He observes the normal appetites and desires of a man's body, excites them to a high degree, and then suggests an improper method of satisfying them. Hunger is normal and a sign of good health. Jesus had fasted forty days and Satan took advantage of that fact to suggest the use of His divine power to satisfy His hunger. This would involve a denial of His entire mission on earth, namely, the redemption of man by a divine person who had become a real man.

2. By appealing to pride (vv. 5, 6). Satan misapplied Scripture to tempt Jesus to presumption on the assumption that He was exercising faith. God had promised to keep Him "in all his ways" (Ps. 91:11). To cast himself down from the temple was not one of the ways in which Christ was called to walk. Satan comes to us with the same kind of temptation. If he cannot get us to forsake faith, he tempts us to become fanatic and to proudly substitute presumption for faith.

3. By appealing to the eyes (vv. 8, 9). By showing Christ the kingdoms of the world and offering them to Him by the short-cut of a brief act of worship rather than by the way of the cross, Satan tempted Him again. Here the devil showed his true desire that man should worship him rather than God.

III. How to Meet Temptation (vv 4, 7, 10).

1. By the right use of Scripture. If Jesus needed that weapon, how can we do without it? How can we use Scripture if we do not study it and hide it in our hearts?

2. By dependence on God. Every Scripture used by Jesus honored God. We cannot fight Satan in our own strength. To attempt to do so is to fail utterly. The real victory for the Christian is to bring Satan back to the cross where Christ won a decisive victory over him.

3. By denouncing Satan. Jesus sent him on his way. We may do the same in Jesus' name. It is always a serious error to try to argue with Satan or to engage in any discussion with him. Let us meet him with Scripture and with a "Get thee hence."

IV. The Result.

Satan left and angels came to minister to Christ. The overcoming of temptation results in peace, victory, and blessing. This is ever so in the life of the believer. Temptation overcome makes us stronger to meet the next temptation, and also enables us to help our weaker brethren.

Framing Our Lives

Religion does not consist in the performance of certain ceremonial acts at specified times, outside which acts and times it has no place: but consists in framing our whole life, and all our acts, upon a distinct view of our position as created beings, charged by the fact of our creation, with duties both to our fellow creatures and to our Creator. —Edward Denison.

Mrs. Mary Elizabeth Davis

Mrs. Mary Elizabeth Davis, 82, died at her home near Pamplin on Tuesday evening, following an illness of two years. She was the widow of the late John W. Davis, a Confederate Veteran, and a lifelong resident of this community. She was the oldest member of the Pamplin Ridge Methodist church.

Funeral services were conducted Wednesday afternoon at three o'clock, with interment in the family cemetery. In the absence of her pastor, Rev. T.E. Johnson, the services were conducted by the Rev. Hiram L. Reeves, pastor of the Beale Memorial Presbyterian church. Surviving are two daughters, Mrs. William Baldwin, and Mrs. Elizabeth Brown, and a son, Robert R. Davis, and a number of grandchildren.

Mr. Charles Bruce Gilliam

Funeral services for Charles Bruce Gilliam were conducted at the Elon Baptist church, Pamplin, by Rev. H.L. Reeves, pastor of the Beale Memorial Presbyterian church, Wednesday afternoon at two o'clock.

Active pallbearers were: Ed Rice, Horace Gilliam, Otway Gilliam, Frank Irving, Henry Gilliam and Lee Gilliam.

Mr. Gilliam was born December 16, 1856 in Halifax county.

Last Rites Held For George Alexander Walton

The funeral services of George Alexander Walton, retired railroad official, who passed away Sunday afternoon, October 8th, 1939, were held at his home in Burkeville, Virginia at 2:30 P.M., Tuesday, October 10th. Interment was at Sunset Hill Cemetery, Burkeville.

The active pallbearers were his nephews: Messers. Rufus Ellett, Walter Ellett, Clifford Ellett, Wilmin Walton, James Lewis and Rufus Purdum.

The honorary pallbearers were: Messers. Waverly Green, H. R. Nunnally, H. E. Harper, H. E. Jenkins, W. E. Keasler, W. H. Sheffield, T. E. Staples, W. R. Anderson, A. W. Overton, M. P. Boswell, W. B. Farrar, J. A. Dodson, Joseph Cottam, William Forrest, J. T. Ellett, H. P. Renicker, Dr. J. A. B. Lowry, Samuel Willmon, Dr. Ralph Bradshaw, Jr., A. K. Sampson, William Moring, Dr. R. L. Alice R. M. Kidwell, Wilson Dunn, Edward York, J. T. Shepherd, R. K. M. Thomas, W. W. Carson, P. W. Moring, O. H. Halley, Walter Thompson, Jesse Rawls, George Coleman, James Carter, Dr. W. L. Pegle, Bernard Childress, Dr. Alvah Ramsey, Flavius Moring and Mac Long.

Mr. Walton's death did not come as a shock to his family and friends as he had been in declining health for several years.

He was born in Appomattox, Virginia, October 30, 1868 and was the son of the late Thomas E. and Martha Woodson Walton.

He began his career with the Norfolk and Western Railway Company as a trackman in December, 1896, and was later promoted to Assistant Roadmaster, which position he held until he was retired on account of ill health, October 31, 1938. He had charge of the Burkeville-Pamplin Bell Line, a link of the Norfolk and Western Railway which he helped to build in 1916.

Mr. Walton was loved by all who knew him. He gave 42 years of faithful and efficient service to the Norfolk and Western Railway, and his passing will be mourned by officials and workmen alike. He was greatly admired for his loyalty and devotion to his friendship.

He is survived by his wife, Mrs. Emmie Purdum Walton, three daughters, Mrs. J. G. Ellett, Miss Rosaline and Ruby Welton, of Burkeville; one son, R. P. Walton, of Roanoke; two brothers, Mrs. Pat Purdum, of Appomattox; Mrs. Annie Stapleton and Mrs. Mollie Copland Jamerson and Mrs. J. D. Moss, of Appomattox; and six grandchildren.

Pamplin

Pamplin, Oct. 10.- Gorge Terry, of Lynchburg, is visiting his sister, Mrs. P. A. Robinson, of Tappahannock while on his vacation.

N. C., H.T., and George Terry will spend next week-end in Chapel Hill, N.C., where they will attend the New York University and University of North Carolina football game.

Mrs Merle Davis and her brother, of Richmond, were the week- end guests of their mother, Mrs. N.A. Davis.

Hanner T. Moses, of Fredericksburg was the guest of his mother, Mrs. Jim Moses, this week.

Sallie Terry spent Monday night with Miss Gertrude Sears.

Miss Mary R. Black spent the week-end at her home here.

Mrs. J.J. Fore is visiting in Lynchburg this week.

Overnight guests of Sallie Terry Tuesday were Gertrud Sears and Mary Alice Webb.

Miss Jack Inge, of Wilson spent the week-end with relatives here.

Woodrow Williams, professional baseball, of the Brooklyn Dodgers, has returned to his home here.

Pamplin, Oct. 10.- Mr. and Mrs. R. D. Sears were week-end guests of Mr. and Mrs. J. D. McDearmon.

Rev. A. J. Ponton was a recent visitor in the home of his daughter, Mrs. C. H. McGill.

Ray Ligon, of Lynchburg, spent the week-end with his parents.

The Pamplin Chapter, Order Eastern Star, held its regular meeting on October 10th.

Rev. and Mrs. W. M. Black, Mrs. R.S. Baldwin and son, Dick are spending this week on the Eastern Shore. Rev. Black is conducting a revival meeting there. Black and Mrs. Baldwin are visiting relatives.

Sunday visitors in the home of Mrs. M. L. McClenny, were Mr. and Mrs. R. K. McClenny, and daughter, Betty, of Farmville.

Bruce Gilliam, a well-known farmer of this community, is very ill.

Miss Bertha Torrence, of Farmville was a recent visitor in Pamplin.

Miss Kate Franklin has begun her music classes at Pamplin and Appomattox.

Revival Meeting

Revival services will begin at Old Wesley Chapel church on October 15 at 7:45 P.M. and will continue through October 29. Mr. Bob Lovelace, of Farmville, will conduct the services, with the help of Mr Cecil Staples, of Lynchburg, who will be the song leader. Everyone is urged to come to these helpful services.

"FROM OLD TO NEW" TUNE: "OLD BLACK JOE"

By Frances Harvey

Verse:
Gone are the days of the school-house small and red—
Gone are the times when,
"you must"—
The teacher said.
Changed from the old
To schools so clean and neat,
When pupils rule the modern school
And teachers take a seat.
Chorus:
"I'm coming, I'm coming"
The modern pupils sing,
To the spacious building safe and new,
When the school bells ring. "

DEAR OLD APPOMATTOX

By KITTY CHILDERS

There's a high school in our native state,
It's the dearest one we know,
'Mid mountains blue, and valleys too
They've made us love it so.
We've the finest sort of school spirit,
'Round our dear old high school home,
With its undulating campus, where
We always love to roam.

Oh, dear old Appomattox High,
The high school we all love,
Where the southern breeze plays through the trees,
And the blue skies bend above
'Round the dear old school we stroll.
We linger in her halls,
We dear old Appomattox High,
We love you best of all.

OUR HIGH SCHOOL

TUNE: "AMERICA"

By ELVIRA HARVEY

Our high school, 'tis of thee,
Sweet school of liberty,
Of thee we sing.
Long may our school be bright,
With education's light,
Instruct us in the right,
Our school, we pray.

Dear school that we love so,
Filled too with ancient love,
Thy praise we sing.
Thy praise we sing.
Amid the circling hills,
Filled with a thousand thrills,
Our heart with rapture fills,
As now we sing.

Tobacco laden ship sinks in the English channel.

Smuts Of Small Grain

Blacksburg, Oct. 10.- Serious small grain losses result in Virginia each year from diseases which can be controlled in large measure by treating seed grain before it is planted, S.B. Fenne, plant pathologist of the Virginia Agricultural Extension Service, said here today.

"The principal diseases among these losses are the smuts," Fenne said. "Some types of smut cause a reduction of yield sometimes as much as one-fourth of a crop. In addition, the grain is badly damaged for milling and great losses result, in the case of wheat, from lower grades of flour.

"Virginia farmers may treat for most of the smuts at a cost of only about two cents a bushel. Ethyl Mercury phosphate dust (sold under the trade name of 'New Improved Ceresan) will large prevent all smuts except the loose smut of wheat and brown loose smut of barley. These two need a hot water treatment.

"The seed may be treated in a concrete mixer, old churn, home-made barrel, or the Minnesota seed grain treater' Your county agent can supply a diagram of the treater. Fill the treating container about half-full of grain, add the correct amounts of dust, close the container, and mix for three minutes. Then empty the container and store the seed in an uncovered pile or in sacks. The seed may be planted immediately or stored for two or three months."

Fenne added these precautions: "This 'ceresan' contains a very poisonous chemical and the dust must not be breathed in very large quantities. Treat only the seed needed for planting, because the treated seed are poisonous."

Other methods of treatment that may be used, Fenne said, include formaldehyde sprinkle treatment for covered and black loose smuts of barley, formaldehyde spray treatment for oats only, and copper carbonate dust treatment for stinking smut of wheat. The "ceresan" treatment will control all of these diseases on all of these grains, is very simple to use, more effective, and just as cheap.

Italy reported to be seeking a bloc of neutral Balkan states.

General election in county November 7th.

Attend church regularly.

Oakville

Oakville, Oct. 10.- Mr. and Mrs. C. S. Martin and daughter were Sunday dinner guests of Mr. and Mrs. William Burcher.

Miss Elsie Gordon, of Lynchburg, spent the week-end in the home of Lytton Harvey.

Mr. and Mrs. Herman Harding and family spent Sunday with Mr. and Mrs. Jim Moore. Mrs. Alberta Burge, of Petersburg, accompanied them home and is spending this week with them.

Mr. and Mrs. Lawson Lucado, and daughter spent the week- end with Mrs. Edd Lucado.

Mr. and dMrs. C.D. Lewis and family spent Sunday with Mr. and Mrs. William Harvey.

Mr. and Mrs. Eral Wilkerson, of Lynchburg, spent the week-end with relatives here.

Mr. and Mrs. Evertt Freeman Jr., of South Hill, and Mr. and Mrs. R. E. Smith and family were dinner guests Sunday of Miss Vivian Clarke.

Marshall Hunter, of West Virginia spent the week-end with relatives here.

Miss Thelma Webb spent the week-end with Edythe Martin.

A kitchen shower was given at the Oakville school Tuesday night of last week for the benefit of the school kitchen. Nearly a hundred people attended and the school received many useful gifts.

Mr. and Mrs. Gibbs Martin, Dick and Alice Walker and Alfred and Carroll Martin were Sunday dinner guests of Mr and Mrs. Joel Morris.

Miss Evelyn Martin spent the week end with her cousin, Clara Martin.

Appomattox merchants will gladly handle your country produce.

Commodity Credit Drops Rate of Interest to 30 Per Cent

Blacksburg, Oct. 10.- Farmers with loans from the Commodity Credit Corporation are being notified that the interest rate on these loans is to be reduced from four to three per cent per annum, beginning November 1, 1939.

In announcing the reduction, Secretary of Agriculture Henry A. Wallace stated that it was based on an understanding between representatives of the American Bankers Association and officials of the Commodity Credit Corporation.

The banks and lending agencies which now are making Commodity Credit Corporation loans have heretofore been guaranteed an interest rate of 2 1/2 per cent per annum for their services, and the Commodity Credit Corporation has received 1-1/2 per cent of the total 4 per cent charged producers. Under the new arrangement, lending agencies making loans after October 31, 1939 will be guaranteed 2 per cent, and the Commodity Credit Corporation will receive 2 per cent, and the Commodity Credit Corporation will receive 1 per cent.

Banks and lending agencies holding loans made prior to November 1, 1939, under current programs, will be allowed the interest rate specified in the present contract of purchase, but in all instances the rate to farmers will be reduced from 4 to 3 per cent. This will mean savings to farmers of approximately $4,500,000 annually on loans now outstanding.

"The policy of the Commodity Credit Corporation," Secretary Wallace said, "is to reduce all interest rates and carrying charges to their lowest reasonable levels. The advantages of such a policy are obvious. It gives the farmers the opportunity to retain the maximum equities in the commodities under loans."

Attention is directed to notice of important auction sale of W. L. Ould real estate here October 14th.

Appomattox is a growing town!

OLDS Steps up Production

Production at the Oldsmobile and Fisher Body plants at Lansing, is being stepped up approximately 20 per cent starting Monday, October 2.

C. L. McCuen, general manager, on announcing that increase said, "the enthusiastic reception accorded the new Oldsmobiles by our dealers during the past week, when the cars were first presented to them, has resulted in an unprecedented flood of orders. Likewise, wherever the car has been previewed by the public, it has made an instant hit and resulted in a large volume of advance orders that we are anxious to fill as early as possible. We are confident, after the first reactions to our 1940 line, that Oldsmobile is off to one of the best years in its history."

"This splendid reception," McCuen said, "has necessitated an increase in our production schedule starting the first of October. Our Lansing assembly lines have been building cars at the rate of 608 per day. Starting October 2, sufficient men will be re-hired at both the Oldsmobile and Fisher plants so that daily production will be increased to 720 cars."

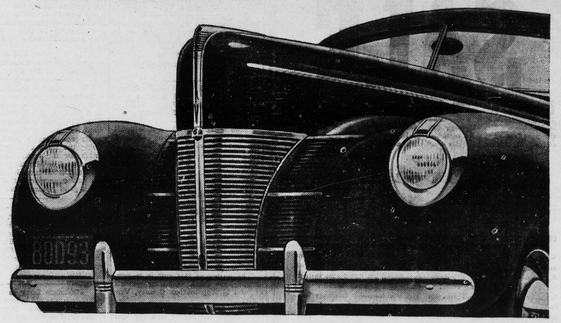
Announcing
THE NEW
FORD CARS FOR 1940



22 important improvements, added to fundamental Ford features, represent the most advanced engineering in the low-price field

WHAT do the Ford cars for 1940 offer to match their brilliant new beauty? New comfort, convenience, quiet, safety—and the roomiest, richest interiors ever designed for a Ford car.

They have a host of interesting new features. Finger-Tip Gearshift on the steering post. An improved transmission, unusually easy to shift. New Controlled Ventilation. Improved shock absorbers. Softer springs, improved spring suspension and a new ride-stabilizer.*

A combination of new features makes the new cars quieter in operation. They have big, powerful hydraulic brakes. They have new Sealed-Beam Headlamps that are safer, stronger and stay bright longer. They have the famous Ford V-8 engine (85 hp in the De Luxe Ford. Choice of 85 or 60 hp in the Ford)—which blends 8-cylinder smoothness with economy.

You've never seen cars with so much performance, style and comfort at such a low price. Get acquainted. *You'll enjoy the experience!*

22 IMPORTANT FORD FEATURES

FOR COMFORT—More room inside. New Controlled Ventilation. New torsion bar ride-stabilizer.* Improved spring suspension.* Self-seating shock absorbers. Two-way adjustable driver's seat. New-type resilient front seat backs. New "Floating-Edge" Seat Cushions.

FOR CONVENIENCE—New Finger-Tip Gearshift. Engine more accessible. Two-spoke steering wheel.

FOR SAFETY—Sealed-Beam Headlamps. Dual windshield wipers at base of windshield. Larger battery. Battery Condition Indicator on all models.

FOR SILENCE—Improved soundproofing. "Easy-shift" transmission. Curved disc wheels. Improved drums for big Ford hydraulic brakes.

FOR STYLE—New exterior beauty. New interior luxury. New instrument panel. **85-hp models only*
